Invitation to the 5th ROK-U.S. Joint Public-Private Economic Forum & the 3rd ROK-U.S. Women's Economic Empowerment Roundtable

Based on a long-standing partnership, the Republic of Korea and the United States have maintained a close cooperative relationship in various areas such as foreign affairs, security, economy, and culture. At the summit meeting held in June 2017, the two presidents agreed to expand cooperation to share reciprocal economic benefits. As a follow-up, the Korea-U.S. Joint Public-Private Economic Forum was held four times, during which a wide range of topics were discussed to explore potential areas of cooperation.

The 5th forum will be held on December 16, 2021, at the Grand Hyatt, Seoul in hybrid format. Experts from the public and private sectors of both countries will gather to discuss how the two partner countries can improve economic ties through people-to-people exchange.

We sincerely look forward to your interest and participation in the forum. For more details of the event, please contact us at rok.us.jppef2021@gmail.com or (070) 5101-5426.
